

SCHOOL SONG

To the tune of "Song of Australia"

**There is a school with distant views
Of Brindabella mountain blues
Hills alive with kangaroos
With kangaroos.**

**Where children come to learn and play
To build their future every day
To build their future every day.
Jerrabomberra
Jerrabomberra
Jerrabomberra.**

**Our school is built on God's green land
We work together, here we stand
Teal and blue go hand in hand
As future leaders we proudly say
We build our future day by day
We build our future day by day
Jerrabomberra
Jerrabomberra
Jerrabomberra.**
