

DANCE EXERCISE IN TERM 4 FOR EVERYONE K-6

THIS NOTE APPLIES TO ALL STUDENTS – K TO Yr 6!

Dear Parents,

During Term 4, we will be running the **Footsteps** dance program. Dance is one of the elements of the Creative Arts Curriculum as well as in the PE syllabus. *Footsteps* have been booked to come to the school each Thursday in Term 4 to do a ½ hour session of dance and fitness with the children and teachers.

Cost for the program is **\$10 each** for the first two children per family, the third child and onwards are free. This is great value! **(This is a subsidised cost with the P&C paying \$4 and the school another \$4, a saving of \$8 per child.)**

We would love **ALL** students to take part as this is a great activity on which to end the year. The music is modern and the dances really enjoyable! It also aims at exercise and increasing fitness. As it is part of the curriculum, the excuse of “*I don’t like dancing*” **should not** be encouraged. All primary students are meant to engage with dance and movement. There will also be **disco/dance nights at the end** of the lessons for all students.

Lessons start THURSDAY, 20th October.

Please sign and return the not below **BEFORE THURSDAY, 15th OCTOBER**

Thanks in anticipation,

Chris Hunter
Principal
