

Home Learning Plan – Indonesian

Term 4 Week 2 - Year 3 & 4

This week we are going to learn and practise the Indonesian words for colours.

You can use the attached worksheet, collect a copy from the school office or even hand draw a copy onto paper or in a work book. All written work can be returned to school in paper form or copied/photographed and emailed to me. If you need any help with the Indonesian work, please contact me at rosemary.j.smith@det.nsw.edu.au

Some students have requested editable 'Word' versions of the documents. That is not possible this week as it is difficult to use the computer to colour this particular worksheet. It is Ok to use hand drawings.
