

Home Learning Plan Term 4 Week 3

6/5E

Dear Parents and Carers

On the following pages you will find a table outlining daily activities for your child to complete. Please complete all written work on either Google Docs, slides or in an exercise book.

Please encourage your children to use email to remain in contact with their teacher and to check their own school email and Google Classroom regularly as instructions and access to their learning will be provided to them through these applications. Work that is completed online will be marked by teachers and this will allow for feedback and more directed learning to occur.

Students should aim to get **at least 30 mins physical activity each day**. Please keep a diary or record of activity done in your PDHPE diary.

Relevant Websites

The students will need to access the following websites to complete their tasks:

www.mathletics.com

www.readingeggs.com

portal.det.nsw.edu.au

Home Learning Plan Year 6/5E Term 4 Week 3

You will need access to a digital device to complete some of the following activities. You may need help from a parent/carer and please email your teacher if you have any questions.
