

2019 PARENT INFORMATION NIGHTS

Dear Parents,

Please come to your child's Parent Information Night. It is a terrific opportunity to meet your child's teacher and to learn about the rules, routines and what your child will be learning about this year. Positive parent partnerships are critical to our success.

Please remember that these nights are for parents and are a general group discussion and not for personal interviews. If you want to exchange personal information about your child, please make an appointment with the teacher.

All Parent Information Nights will take place in your child's classroom unless indicated below.

Formal Parent/Teacher interviews will occur at the end of Term 1 when the teacher knows your child a little better.
