

## YEARBOOK ORDER FORM – 2022

Dear Parents/Carers,

Each year we prepare a comprehensive Yearbook full of memories of the past year with text and photos from every class, as well as special events. It is now time to get our order together for the printers. Books must be ordered and paid for prior to our submitting our order as we **only print to the number of orders and payments received.**

**The cost is \$19 per book.**

This is a quality product with extra colour pages this year for each year group.

We just cover costs – this is not a fundraiser.

Please ensure orders and payments are received by **Friday 11<sup>th</sup> November 2022**, as late orders **cannot** be accepted.

The books will be given out after special awards for the year have been announced, at the end-of-year presentation assemblies.

If you are leaving Jerrabomberra School before this date, please provide a forwarding address with your order and we will post the book/s to you.
