Please remember that the online ordering system closes at 8am on the day of ordering and it is possible to order ahead of time.

1. Go online to School24 and register an account at www.school24.com.au
Enter the school registration ID (2525963).
2. Create your own user ID and password.
Set up your children on your account.
3. Payment can either be made by credit/debit card each time an order is placed or you can top up your School24 account with additional funds at any time using your credit/debit card. This can be done by going to the home page of School24 and then clicking on the Top Up/Recharge tab and following the instructions.

Please do not transfer the funds directly into the JPS School Canteen bank account.
