

JERRABOMBERRA P&C

VOLUNTARY CONTRIBUTION 2021

Dear Parents / Carers,

Each year the P&C asks our parents to make a voluntary contribution for investment into school resources that extend beyond those provided by the NSW Department of Education.

We liaise with the school to realise areas of need, and in recent years we have been able to purchase laptops, electronic whiteboards, STEAM resources, resources for the hall including air conditioning and AV equipment, and more. This has only been possible thanks to the contributions of our families.

The one off 2021 voluntary contribution remains at \$100 for a single child or \$150 for a family (more than one child). These totals have been in place since 2002. If you are able to make a voluntary contribution, and as always, we only ask those who can make a voluntary contribution to do so, your funds will be invested in resources and activities directly benefiting the school community.

Thank you for your support.
