STUDENT STARTER PACK - 2021

Dear Parents/Caregivers

At the beginning of each year, we supply a student starter pack to all students. Now that your child/children are enrolled at our school, all items in this pack have been or will be provided to them in the near future. Pack inclusions are as follows:

- Handwriting Text Book & Homework Text Book to years *as applicable*
- A4 Homework exercise book and A4 Science book
- All class exercise books, a ruler and other classroom incidentals
- Portfolio folder
- Personal Dictionary book for Yrs K-2
- Home access to the on-line Reading Eggs Literacy Program and Mathletics Program
- Payment for two Musica Viva in-school performances
- Payment for the Life Education Van visit
- Student 24 hr Insurance Coverage (Please see the P & C recommendations on this overleaf.)

The total cost for these resources and in school performances is **\$70 per student**. We do not make money on the above, what we endeavour to do is save you time, effort and money through bulk purchases. If you have any questions at all about this payment please contact the office. Additionally, if any family should have difficulty meeting this payment, please contact me for confidential arrangements to be negotiated.

Thank you

Mrs Chris Hunter
 Principal

A MESSAGE FROM THE P&C

STUDENT ACCIDENT INSURANCE

Playgrounds are responsible for a significant number of childhood injuries with more than 100,000 Australian children requiring medical attention every year. NSW school children are covered by a state wide School Accident Insurance Policy. This is a Department of Education and Communities blanket insurance cover policy. This means that should your child have an accident while attending school or on an approved school outing and you can prove that the school, school teacher or staff member was negligent or contributed towards the incident then you may, with legal advice, be able to make a claim. Many parents incorrectly assume that their children receive automatic cover for accidents where there is no one to blame but we all know that even with the utmost care – accidents do occur. It is not until their child is involved in an accident that they become aware of the absence of student accident insurance where negligence **is not** a factor.

The P&C's Student Accident Scheme

The Federation of Parents and Citizens of NSW offers **Student Accident Insurance** at a minimal cost to help ease the financial burden to parents if an accident should occur. Students can receive 24-hour-a-day protection which covers actual hours a student spends at school, time involved in travelling between home and school on a daily basis, other activities – even those on weekends or during term breaks – which may be regarded as school related e.g. excursions, weekend sporting or cultural activities and extended cover or 24-hour-a-day protection – anywhere in Australia.

A full list of benefits paid by the Student Accident Insurance can be obtained from the front office or on request via email or post. Some examples include:

- dental \$5,000 (85% of expenses will be paid with a \$50 excess of each claim)
- permanent loss of the sight of one eye \$50,000
- broken bone benefit (\$50 - \$2,000 depending on limb broken)
- permanent loss of a limb \$50,000 and
- tuition costs up to \$4,000.

Most private health insurers offer some reimbursement for medical expenses only. Federation's Student Accident Policy also offers a lump sum benefit for death, serious injuries and broken bones as well as reimbursements for clothing, tuition, emergency transport, bed care benefits and non-medical expenses.

If you need to make a claim, please request a form from the front office.
